

Independent living

Residentia offers a variety of housing options, in a safe and homely environment. Our independent living residents also have access to additional services such as housekeeping, meals and home care.

Assisted living

Residentia's assisted living program aims at maintaining our resident's independency by providing personalised care services such as:

- Housekeeping and meals
- Medication control
- Assistance in activities of daily living

Frail care

Residentia offers comprehensive and holistic care for each individual to ensure physical care, emotional support, individual lifestyle requirements and total wellness.

Dementia care

At Residentia we understand the unique needs of people living with dementia related illnesses.

Our specialized care plans ensure proper care in a supportive environment.

Care for the elderly

Residentia's elderly care offers a comprehensive personalised care plan, where all residents experience identity, security, purpose, choice and true joy in a homely environment.

Our comprehensive services include:

- Independent living
- Assisted living
- Frail care
- Dementia care

RESIDENTIA

Selfsorg

Residentia bied 'n verskeidenheid van behuisingopsies aan, in 'n veilige en huislike omgewing. Ons selfsorg-inwoners het ook toegang tot bykomende dienste soos algemene huishouding, etes en tuisversorging.

Semi-sorg

Residentia se semi-sorgdiens het ten doel om die handhawing van onafhanklikheid vir inwoners te bevorder deur persoonlike sorgdienste soos:

- Huishouding en etes
- Medikasiebeheer
- Bystand met aktiwiteite en daaglikse take

Verswaktesorg

Residentia bied omvattende en holistiese sorg aan verswakte individue om emosionele ondersteuning, fisiese versorging, individuele lewenstylvereistes en totale welstand te bevorder.

Demensie-sorg

By Residentia verstaan ons die unieke behoeftes van mense wat met demensie-verwante siektes leef.

Ons gespesialiseerde demensie-sorgdienste verseker sinvolle versorging in 'n ondersteunende omgewing.

Bejaardesorg

Residentia se bejaardesorg bied 'n omvattende persoonlike sorgplan, waar alle inwoners identiteit, sekuriteit, doel, keuse en ware vreugde in 'n huislike omgewing ervaar.

Ons omvattende dienste sluit in:

- Selfsorg
- Semi-sorg
- Verswaktesorg
- Demensie-sorg
